THE UNIVERSITY OF IOWA, DEPARTMENT OF INTERNAL MEDICINE is seeking faculty for a tenure track position at the level of Assistant, Associate, or Full Professor. The successful candidate must possess an MD, MD/PhD or a PhD degree with training and experience in stem cell research. The ideal candidate will have an established record of scientific accomplishments within the field of stem cell biology. The State of Iowa has recently passed the “Iowa Stem Cell Research and Cures Initiative” law promoting stem cell research. Substantial state resources have been committed for the construction of the Center for Regenerative Medicine. Applicants should have demonstrated outstanding ability in research with evidence of clear potential for a funded research program. Experience in teaching, and, where relevant, in clinical medicine is also desired. Salary is based on the academic level of entry and on the applicant’s qualifications and responsibilities. A competitive start-up package will be provided. Candidates should submit vitae to:

Nicholas Zavazava, MD/PhD
The University of Iowa
Department of Internal Medicine
200 Hawkins Drive, 51-F GH
Iowa City, IA 52242-1081
